

Synergy Billing announces launch of FQHC Help Desk “Ask the Expert.”

Holly Hill, FL – May 16, 2024 - The Synergy Billing team is proud to announce the launch of the FQHC Help Desk, a dedicated platform where Federally Qualified Health Centers (FQHCs) can receive expert guidance on billing and credentialing challenges.

Since 2006, Synergy Billing has been at the forefront of solving billing and credentialing hurdles for FQHCs. With the FQHC Help Desk, we aim to provide timely solutions to industry-related inquiries within 24 hours, Monday through Friday.

“At Synergy Billing, we understand the importance of quick and accurate answers to billing and credentialing questions for FQHC leaders,” says Jayson Meyer, Founder & CEO. “That’s why we’ve created a space where they can tap into the expertise of our industry veterans and subject matter experts – all at no cost.”

The FQHC Help Desk offers assistance on a wide range of topics, including reimbursement guidelines, CMS credentialing applications, billing for various services, claim denials, and more. Every question asked and answered contributes to enriching the collective knowledge base, empowering FQHC leaders nationwide.

“We believe in the power of knowledge-sharing to drive success in the FQHC community,” adds Jayson Meyer. “With the FQHC Help Desk, we’re not just providing answers; we’re

fostering collaboration and growth.”
